PAUSE, THINK, GROW PROGRAMME - LINKLIVING

We are delighted to announce a new programme from Link Academy called Pause, Think, Grow, which will be launching in September 2026.

Pause, Think, Grow is an early intervention programme for young people aged 11–13 who are experiencing difficulties with behaviour, emotional regulation, or relationships, and who may be at risk of exclusion, disengagement, or involvement in offending behaviour. The programme runs in small groups two days a week at the Goodtrees Neighbourhood Centre, with additional one-to-one support and peer-led sessions delivered by trained volunteers.

The programme helps young people build confidence, develop tools to manage their emotions, and strengthen relationships at home and at school, while supporting them to make more positive choices for their future. During the programme, young people will take part in group sessions where they can develop practical emotional regulation and decision-making skills, explore how behaviour can affect themselves, their families and their communities, and build positive connections locally. They will also have the opportunity to join peer-led workshops with people who have lived experience of the justice system and access one-to-one support when needed.
